

Voyages Wilson Island

Via Gladstone and Heron Island - Great Barrier Reef

Voyages Wilson Island is a tiny coral cay located just 40 minutes from Voyages Heron Island. A divine sweep of castor sugar sands that is home to turtles and birds, Wilson is both part of the Great Barrier Reef and surrounded by it. Its pristine waters host an unimaginable variety of marine life including colourful coral and fish, with some of the best snorkelling just off the beach.

Offering designer-inspired tented accommodation, Wilson provides just 12 guests with access to the magnificent reef and beach environments, including rare turtle and bird breeding grounds.

A true communion with nature is at the core of the Wilson Island experience – to live and enjoy life as a beachcomber. Days can be filled snorkelling and exploring the island, or simply lazing in a hammock.

On your special day you are guaranteed your wedding will be the only ceremony at Voyages Wilson Island.

Voyages Wilson Island is the Great Barrier Reef as nature intended.
