

Daintree Eco Lodge & Spa

Daintree Rainforest - Tropical North Queensland

Daintree Eco Lodge & Spa is a haven of private, boutique accommodation in a pristine natural environment. Just 15 individual villas are nestled in the world's oldest living rainforest – the ultimate destination to soothe the spirit.

Wake to the gentle sounds of nature. Indulge in total pampering in the unique Daintree Spa, where unspoilt nature and ancient culture combine to nurture the mind, body, soul and spirit.

Surrender to unique therapies such as the signature Walbul Walbul (Butterfly) treatment – rainforest ingredients, ochres and pure natural spring water from the Lodge's private waterfall combine to rejuvenate and exhilarate.

The ancient rainforest and the local Kuku Yalanji people are the inspiration for the ultimate nature spa treatment. Set on a timber deck cantilevered over rocks, at the base of the pristine waterfall, succumb to therapeutic and restorative therapies that cannot be found anywhere else in the world!
